Have you ever wondered how watercolor artists get those stunning, flowing effects and beautiful colors?

- **This energetic class will get you right into the dynamics of how it's done!**
- **Each session is loaded with techniques to loosen you up and inspire you to paint**
- **In five weeks you will be thrilled with how much you've learned**
- **Replace tight, rigid pictures with fluid , colorful paintings**

This class is perfect as a refresher course or for those who want to build on beginning skills established in Basics. Demos, one-on-one instruction, structured assignments, work to take home, and critiques all help the student grow and evolve as a painter.
