This fun adventure will get you geared up for using a sketch book to record your summer travels and activities. Learn how to capture those special moments and places when on the run using quick sketches with watercolor washes. It's loads of fun and an exciting way to bring home unique mementos from the road!

Learn to make the most from a few materials

- Keep your kit compact; travel lite

Capture the essence in a sketch

- Edit what you "see;" capture what's important
- Loose, fluid sketches, pen & ink watercolor washes

Use the camera as a reference tool
